Los Alamos National Laboratory strongly supports academic freedom and a researcher's right to publish; as an institution, however, the Laboratory does not endorse the viewpoint of a publication or guarantee its technical correctness.

2021 Engineers Week Intro Video

This is the first video in a series of four videos that have been prepared by the Bradbury Science Museum for the celebration of Engineer's Week. The video is 1 minute and 17 seconds in length. It consists of a brief introduction to the field of engineering and how engineers have been an integral part of the Laboratory from the Manhattan Project to today.
